

JOB DESCRIPTION
(To be read in conjunction with Person Specification)

POST:	Reporting Analyst
SALARY:	NJC 23
ACCOUNTABLE TO:	Quality and Performance Manager
RESPONSIBLE FOR:	n/a

ORGANISATIONAL EXPECTATIONS:

Inspire North aims to provide a high-quality customer service adhering to the principles of best practice, promoting equal opportunities and working positively with diversity. Inspire North is an ambitious, forward thinking organisation and you must be committed to developing and enhancing the services we provide.

The organisation expects all its employees to carry out their duties in a professional manner with a customer focus, ensuring that respect and courtesy is shown to them, colleagues, other service providers and all those in contact with the organisation.

You are expected to uphold the values and ethos of Inspire North at all times.

OUTLINE OF POST:

The post holder will be proactive and able to apply their professional knowledge and expertise in developing, designing and preparing reports. The post holder will be working to establish and maintain a reporting process that delivers performance information to a range of stakeholders.

Supporting the culture of continuous improvement, the post holder will be innovative in their approach to improve performance, highly organised, have excellent analytical skills and be confident in their communication. Experience of using Microsoft Excel at an advanced level is essential. We are looking for someone who can work on their own initiative and have a professional and positive outlook with the flexibility to embrace change and work alongside services to help with robust data collection.

MAIN TASKS:

Using various reporting and programming tools such as SQL, Access and Excel to extract management information for decision making and compile and present complex data in a variety of ways depending on audience and user requirements.

To be responsible for preparing monthly management information reports in a timely manner including KPI's, Operational Performance, Clinical Governance, Incident Trend Analysis etc.

To set up and maintain systems and processes for collection and analysis of outcomes data, quality, safeguarding etc. and preparation of reports and statistical information for a range of audiences up to senior level.

Conducting analyses of outcomes data and preparation of summary reports for a range of audiences, including for marketing and development purposes.

Designing and devolving reports utilising existing systems such as Case Management Systems (CDPSoft and SystemOne).

Exercising high levels of diligence when assessing or preparing analysis, especially when data is incomplete or conflicting.

Manage own time to ensure scheduled reporting and ad hoc requests are issued in accordance with deadlines.

Data analysis of quality metrics across the group.

Sharing, training and getting feedback from all report users to ensure they are used and understood properly.

Implementing continuous improvement methodology to review and enhance existing reports including the use of infographics and dashboards.

Working with the Systems Lead to ensure information systems are robust and able to collect accurate information and user queries are dealt with efficiently.

Support work on quality standards and kite marks such as client surveys, benchmarking, CQC and CSE.

Ad-Hoc cover for first line response for all queries for all users of the case management system.

Understand business processes and can balance customer needs with business goals in developing and delivering solutions

To attend relevant internal and external meetings as advised by line manager.

To contribute to the achievement of annually set individual and team targets.

To represent Inspire North in a knowledgeable and professional manner at all times.

To identify own training and development needs in conjunction with your line manager and participate in training opportunities.

Any other duties commensurate with the grade and level of responsibility of this post.

Please note this job description is intended to provide a guide to the general duties and responsibilities of the role the post holder is expected to adopt a flexible approach to the tasks. It should not be regarded as a contractual document. It will be reviewed regularly and may be varied at the discretion of Inspire North.

Person Specification – Reporting Analyst

The person specification should be read in conjunction with the job description. It is used at the short listing and interview stages to decide how suitable each candidate is to take on the role.

Inspire North does not necessarily expect that each candidate will fulfil all the criteria listed in the Desirable column but any 'gaps' could form areas for development in the future.
